

ANNEX 3 OF THE MEMORANDUM ON UNDERSTANDING
between
Chamber of commerce and industry of Serbia and Kosovo Chamber of Commerce

Chamber of commerce and industry of Serbia (PKS),
represented by Marko Čadež

and Kosovo Chamber of Commerce (PKK),
represented by Safet Gërkhaliiu,
hereinafter PKS and PKK

- Driven by the joint wish to contribute to the development, promotion and diversification of trade, economic cooperation, commercial and cultural relations between their business communities, in the name of common interest, and in accordance with the laws and regulations of the two parties,
- Having in mind that this Memorandum does not relate to other issues which are not mentioned in this document (e.g. political issues, asset and other topics)

have concluded the following:

Article 1.

PKS and PKK fully support within a technical mandate the establishment of the postal traffic between postal operators “Post of Serbia” and “Post of Kosovo*“.

Article 2.

PKS and PKK respectively made a document that technically and operationally defines the modalities for the establishment of the postal traffic between two operators “Post of Serbia” and “Post of Kosovo*“, which has been interrupted since 22.12.2008.

Article 3.

PKS and PKK both have signed with their own postal operator a document which defines within a technical mandate all modalities for the establishment of the postal traffic, and which is an integral part of this Annex – Attachment 1.

Article 4.

In this Annex Memorandum on understanding between PKS and PKK it is stated that both operators agree on the need for establishing the postal traffic between areas which are operated by postal operators “Post of Serbia” and “Post of Kosovo*“, and that the postal traffic between the two operators will start on 01.04.2015.

Article 5.

Current operations of the two postal operators of universal postal services on the territory of Kosovo and Metohija will not change with the signing of the Protocol on establishing the postal traffic. Delivery areas on the territory of Kosovo and Metohija, which are currently operated by the two operators, will not change.

Article 6.

Implementation of the Protocol and smooth operations of both operators on the territory of Kosovo and Metohija are guaranteed by EU and Signatories of this Annex. If either party abuses the Protocol for issues which are not directly regulated therein, the Protocol shall become ineffective.
